**3**

If you need help setting up Brand Direct Health® Pharmacy in your e-prescription system, we're here to help.

Call BDH customer service at **866-331-6440**

**Email prescriberservices@branddirecthealth.com** to follow-up on patient information

90 DAYS

**All prescriptions are for a 90-day supply**—research shows that it may take time to see results. Some patients may experience a more effective response after 90 days of using the product.[1,2]

**Be sure your patients do their part!**

Once you submit a prescription, a Brand Direct Health® Pharmacy representative will call your patient to arrange for payment and delivery. It's important to remind your patients to answer when Brand Direct Health® Pharmacy calls so that their orders can be completed. Tell patients to look for a call from **866-331-6440**.

- **100% money-back guarantee:** Full refund if your patients' needs are not met†
- **Flexible payment options available for 90-day prescription**

* Based on US dollar sales through IQVIA NSP reporting channels from January 2023 – December 2024 of Deplin® branded and Metanx® branded medical foods compared to other branded medical foods indicated for Depression and Diabetic Peripheral Neuropathy.
† Brand Direct Health® Pharmacy orders only. No return necessary. Limited to one refund per person, per product. Excludes shipping and convenience fees.
